

LEADING WITH EMOTIONAL INTELLIGENCE

Based on emotional intelligence and social neuroscience, Leading with Emotional Intelligence is a powerful, interactive leadership learning program that boosts essential leadership skills for 2021 and beyond.

A virtual instructor-led program, this leadership learning journey will help enhance demonstrated emotionally intelligent leadership behaviours.

During six highly interactive and impactful sessions, attendees will learn to improve how they connect, communicate and influence others, in turn, enhancing leadership ability, personal relationships and well-being. Genos Emotional Intelligence focuses on a set of skills that help us act intelligently with our emotions, enhancing our decisions, behaviour and performance.

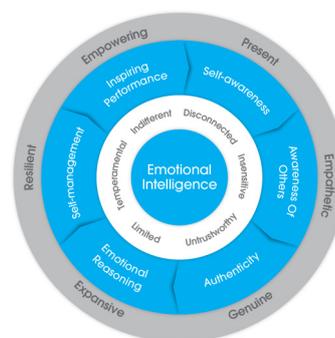

PROGRAM CONTENT

- ⚙️ Six x 90-minute virtual instructor-led learning modules
- ⚙️ Professionally facilitated modules that include breakout room activities, group discussion, polls and chat
- ⚙️ A digital workbook to support note-taking, capturing insights and development planning
- ⚙️ **Optional:** Genos Emotionally Intelligent Leadership Assessments can be provided during the program and are used to turn feedback into actionable development steps. Available digitally or can be provided via a one-on-one coaching debrief.

MODULE 1

EMOTIONALLY INTELLIGENT LEADERSHIP

Discover the Genos International model of emotional intelligence and understand the social neuroscience of emotions and the connections between behaviour, performance and decision-making. Review and identify critical emotional intelligence leadership behaviours for your personal development and individual leadership journey.

MODULE 2

THE AWARE LEADER

Learn how to improve self-awareness to be more intentional in working with others. This module helps enhance awareness of others and empathy to become more behaviourally agile in your leadership approach. Focus on how you connect, communicate and influence those you lead.

MODULE 3

THE AUTHENTIC LEADER

Facilitate difficult conversations with openness and finesse. Learn to effectively express emotions in your leadership role and discover a new model for facilitating challenging discussions and performance. Enhance how you connect and build relational trust with others.

MODULE 4

THE EXPANSIVE LEADER

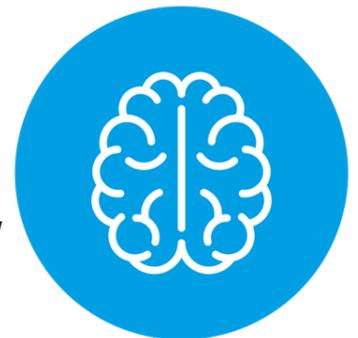

Discover decision-making that incorporates emotional and moral reasoning. This module uncovers the unique components of emotional reasoning, why it's essential and practices for doing it well. Learn models, tools, and techniques to lead and make decisions in an expansive way.

MODULE 5

THE RESILIENT LEADER

Develop personal resilience and create a mentally healthy working environment for others. Leaders need to pay attention to the way they manage time, how they behave and continuously improve how they lead others. In this module, explore triggers and your default behaviours. Identify a range of techniques for managing stress and bouncing back from challenging situations.

MODULE 6

THE EMPOWERING LEADER

Inspire performance through persuasion, coaching, and influence. Learn to empower others and unleash their full potential by understanding the fundamentals of human motivation at work. Practice applying a model and conversation on motivational strategies. Reflect on learning from the entire program to build and maintain the momentum of the learning moving forward.

WHAT OTHERS SAY ABOUT THE PROGRAM

"As someone who has worked in a very people driven industry for a long time, I thought I was reasonably clued up on emotional intelligence. It turns out there is so much more to learn! Through virtually attending the Leading with Emotional Intelligence course, I have had the opportunity for self-reflection, group interaction, and a much deeper understanding of the impact of emotional humility both in the work place and in my personal life. I genuinely cannot recommend this course highly enough for anyone looking to take their leadership skills to the next level."

"As a recent participant in the six-part LWEI course offered by Pinpointing Potential, I would highly recommend it. It has helped me become a more confident leader by better understanding myself and those around me. The course has provided me with the skills to communicate more authentically, influence others and manage conflict constructively."

"I cannot recommend the Leading With Emotional Intelligence Programme highly enough to anyone looking to enhance their emotional intelligence within their leadership capacities and their personal lives. The content is extensive, interesting and relevant and Ciara is passionate, energetic and knowledgeable. She delivers every single module with boundless energy and enthusiasm and I leave every time motivated, inspired and wanting to learn more."

"As someone who comes from a legal background, with very little exposure to Emotional Intelligence training, this course was invaluable. It explains why this is important, how wrong you can go without this understanding and how you can incorporate the greater awareness provided into your role as a leader. I would highly recommend this course to anyone in a leadership role"

About Genos International

We are a global team of change-makers using emotional intelligence to enhance how we connect, communicate and collaborate at work. Transforming these essential people skills at work also makes a difference to people's relationships outside the workplace. People become better parents, partners, siblings and friends. That's why we call our work **Game-changing for business. Life-changing for people.** Genos is a leading, global provider that delivers on our mission with transformational content, great digital technology, exceptional customer service, passionate partners and clients who want to lead their industries.
